Hi Anna,
Please see statement below.

EPA first learned about this in Mayor London Breed's *State of the City* address in January 2019. We look forward to learning more from the City/County of San Francisco about the scope of this independent review team.

Hello Glenn,

ED_004747_00011432-00001

I'm reporting on the Hunter's Point Shipyard clean-up. There will be independent testing by UC Berkeley and UC San Francisco. Does the EPA have any comment?

I'm hoping to talk to someone by 3 p.m. PST. My hard deadline is 4:15 p.m. PST

Thank you,
Anna Sturla
